## 1. Introduction

### 1.1 Welcome to MY CDL User Guide

The Employee User Guide is designed to provide you with procedural instructions for using the features of MY CDL. The step-by step instructions are accompanied by the corresponding screenshots to guarantee ease of usage and understanding.

### 1.2 Supporting Platforms

MYCDL is a Platform independent application, but currently it can be accessed only from environments like,

- Web Browser

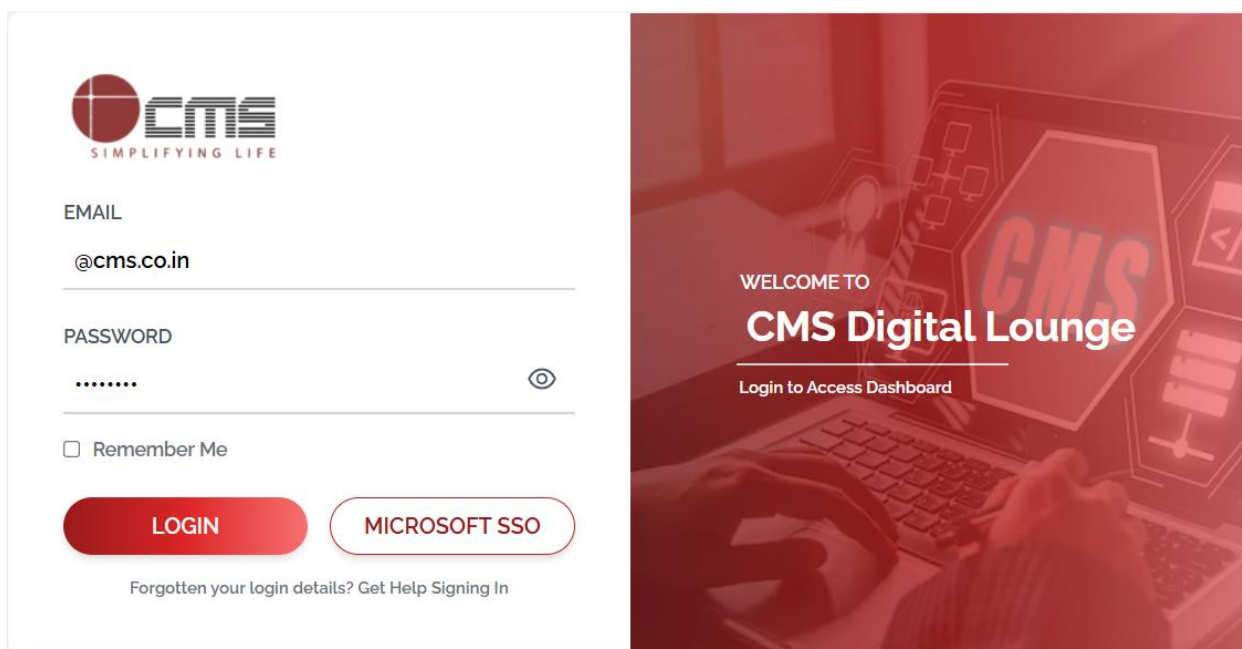

## 2. Getting Started with My CDL

### 2.1 How to use the MY CDL in different Platforms

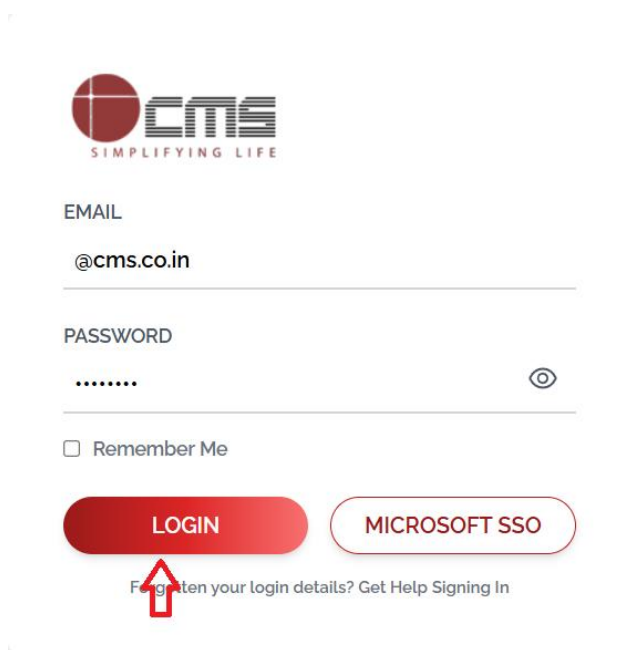

#### For Web Browsers

1. Use this URL <https://mycdl.cms.co.in/> to use the MY CDL in web Browser. Once you run the URL the following page will be loaded (As shown below).

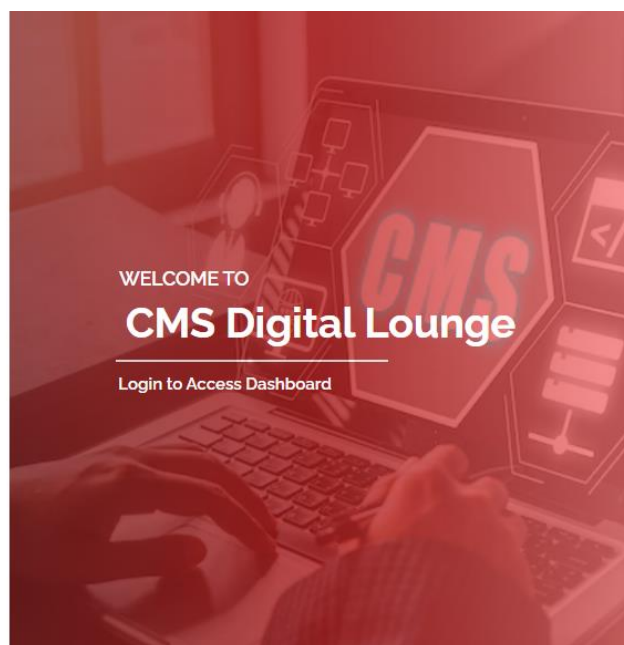

## 2.2 Sign in

1. Type your Zimbra **Email & Password** and Click on to **'LOGIN' Button** (As shown below).

The login form features the CMS logo at the top. Below it, there are input fields for 'EMAIL' (containing '@cms.co.in') and 'PASSWORD' (masked with dots). A 'Remember Me' checkbox is present. Two buttons are at the bottom: a red 'LOGIN' button and a white 'MICROSOFT SSO' button. A red arrow points to the 'LOGIN' button. A link for 'Forgot your login details? Get Help Signing In' is located below the buttons.

## 2.3 MICROSOFT SSO

2. This is the facility additionally give to the employee's those who does not have the Zimbra credentials and have the Microsoft credentials; they can use this SSO to login in to the CDL.
3. Once you logged in with SSO, next time you can login to the CDL by single click of the MICROSOFT SSO directly without any hurdles of applying the credentials every time (As shown below).

EMAIL  
@cms.co.in

PASSWORD  
\*\*\*\*\*

☐ Remember Me

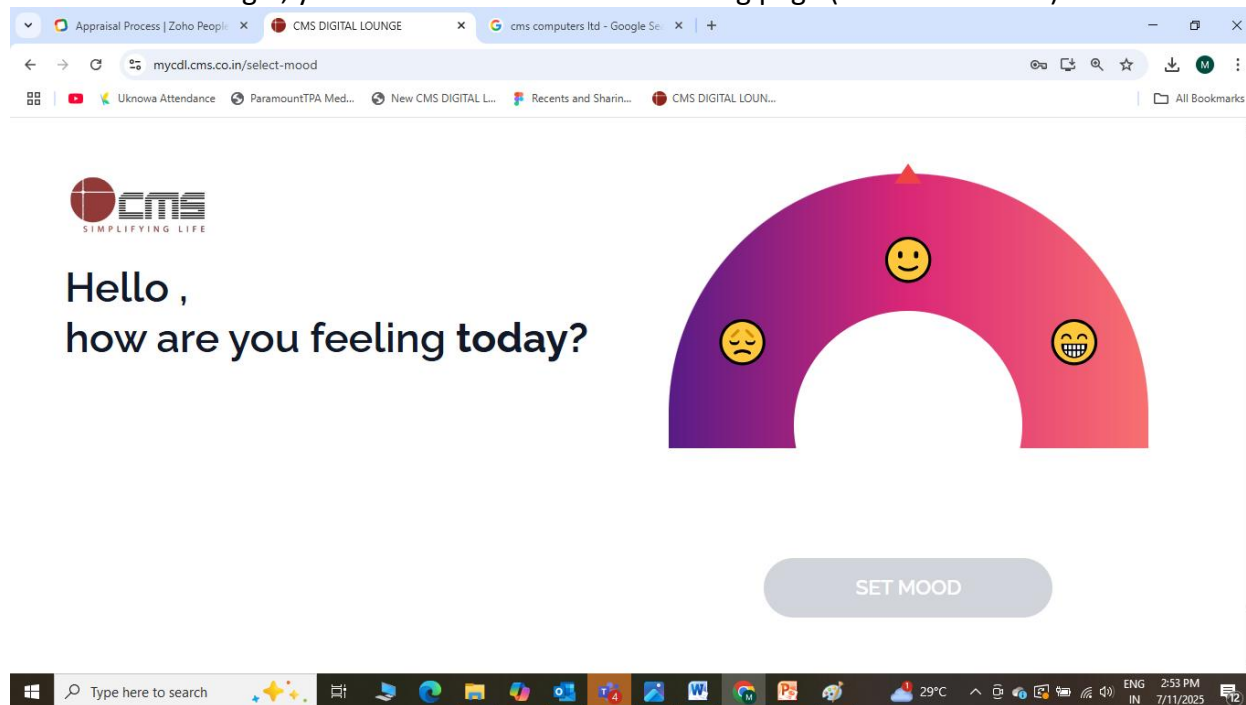

**LOGIN** **MICROSOFT SSO**

Forgotten your login details? Get Help Signing In

WELCOME TO  
**CMS Digital Lounge**  
Login to Access Dashboard

4. On successful login, you will be re-directed to following page (As shown below).

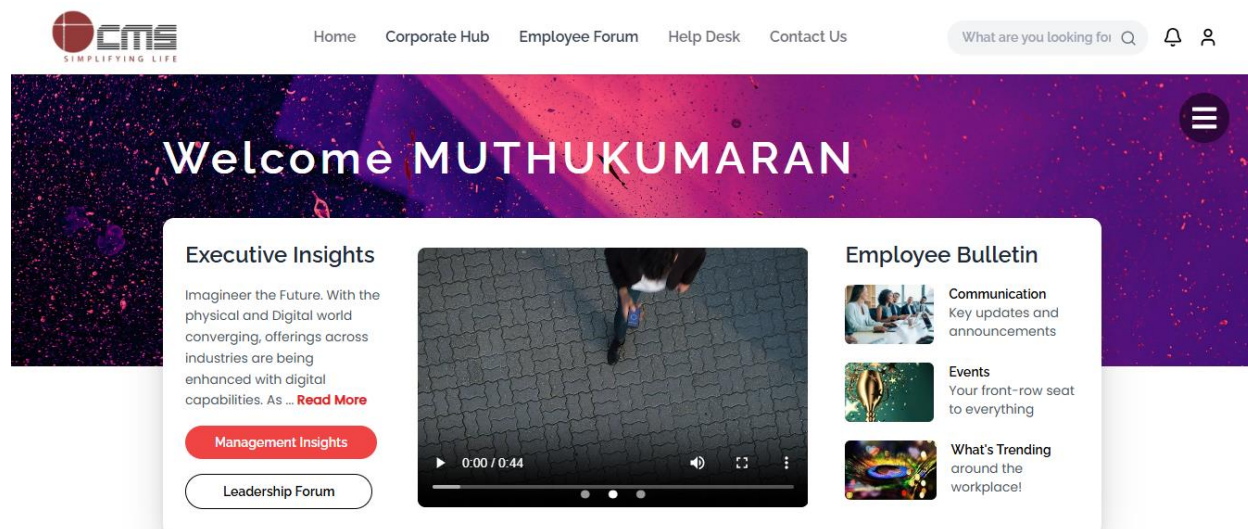

5. Select your mood from the given Emoji's and Click '**Set mood**' Button (As Shown below)

Hello ,  
how are you feeling today?

6. Once you click '**Set mood**' Button immediately you will be landed on the CDL Home page (As shown below)
